Celebrating a Century-long Commitment to Community Healthcare & Wellness

We'll turn back the page on history by 100 years on Saturday, June 12, when we celebrate Holy Rosary Healthcare's century-long commitment to eastern Montana at TREASURES, the region's philanthropic event of the year.

A dynamic 15-member, community-based committee has been busy creating what is certain to be an incredible experience. Allow us to set the stage a bit. Upon your arrival, you will be whisked into the historic and completely renovated Exhibit Hall at the Eastern Montana Fairgrounds as your automobile is valet parked. When not enjoying the hand-selected red or white wines or having vintage photos taken, you will relish an unforgettable culinary experience that includes gourmet food from four select caterers.

It'll be *Here today, Gone to Maui* for one randomly selected guest as they win a vacation dream package for an over-the-top trip for two to Hawaii from Yellowstone Pathology Institute. And the ladies will look as dazzling as ever, particularly the lucky one who wins the 1-carat, three-diamond, past-present-future ring from John Stockhill Jewelers. Of course, the very lively charitable auction will feature the finest of travel packages, home & landscaping makeovers, private group dinners, pro game tickets, a custom vehicle enhancement package, and even a hunter's dream gun package... and that's only for starters!

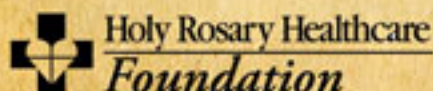

What was entertainment like 100 years ago? It most certainly included a piano. And a piano... actually two... are what will steal the show. Noteworthy Productions from Seattle will perform a much-anticipated, all-request, audience-interactive, absolutely exhilarating dueling piano show (just like they have in L.A., New York, Vegas, and all over the world) right here in Miles City at TREASURES. They play Beethoven to Billy Joel, the Big Bopper to the Beatles, Bob Seger to Bon Jovi, and everything in between. They've even been rehearsing the UofM and MSU fight songs! Who knows, they may play your favorite too, with a little persuasion.

What an incredible night it will be! And the real jewel of the evening is *why* we will all be there. All funds support local access to high quality cancer services. This is such an important project for families touched by cancer in our community and region. Holy Rosary Healthcare is committed to enhancing the already impressive scope of cancer care so more people may be cared for close to home.

As proven in the last 100 years, together, we can make amazing things happen. We invite you to join us in a worthwhile, local cause and a memorable evening. Simply complete and return your enclosed reservation, and then visit us online at [www.hrhfoundation.com](http://www.hrhfoundation.com) for further event details and regular updates. Your support makes a meaningful difference for the future of quality health care in our community and region.

Sincerely,

Holy Rosary Healthcare Foundation Board of Trustees  
TREASURES Planning Committee

Quality healthcare is one of the pillars for the long-term sustainability and growth of any community and region. The Holy Rosary Healthcare Foundation, a not-for-profit 501(c)3 corporation, partners with donor-investors to make a lasting difference toward health-related projects, services and solutions in eastern Montana.
